

# SDGs Reporting Training

The Global Compact Network Canada is excited to offer a full-day training in Toronto starting with market opening at Toronto Stock Exchange to celebrate the first inaugural SDGs Reporting Training.

## **When and where:**

June 12th, 2017 from 8.00 am with registration at the Toronto Stock Exchange, and ending at 5.00 pm.

## **Why sponsor the SDGs Reporting Training?**

- Network with other business leaders and share your insights and company thought-leadership on the SDGs.
- Demonstrate your leadership and contribution to advance corporate sustainability by associating your brand with the GCNC and other leading organizations.
- Support sustainability professionals and leaders from business, government and civil society to help advance the 17 Global Goals.

We are offering sponsors and the first registrants a unique opportunity to Open the Market at the TMX to celebrate the first inaugural SDGs Reporting Training!

## **During the day, participants will:**

- Share experiences and learn from the successes and failures of your peers.
- Engage in an interactive learning experience that will showcase emerging best practices.
- Discuss Global and Canadian vision for SDGs reporting with a representative from Statistics Canada.
- Receive advice from sustainability reporting experts, such as the Global Reporting Initiatives (GRI).
- Build capacity for developing a process to report on the SDGs.
- Receive a certification upon successful completion.
- Have the opportunity to join a networking group.
