ABOUT THE AWARDS GALA

The 2019 Canadian SDG Leadership Awards Gala is a celebratory event that recognizes businesses and non-businesses that are doing exceptional work to integrate and advance action towards the UN's Sustainable Development Goals. The awards will feature organizations from the private, not-for-profit, and academic sectors across Canada, and highlight the leadership and progress they are making towards solving some of the most pressing environmental, social and economic challenges in our communities.

The awards gala will bring together more than 100 corporate sustainability leaders and supporters in the country, and features a networking cocktail reception, gala dinner, and presentation of the SDG Leadership Awards.

WHY SHOULD YOU ATTEND?

The UN Sustainable Development Goals is the global framework for achieving a better future for all – laying out a path until 2030 to end extreme poverty, fight inequality and injustice, and protect our planet.
